

Hi 

I'm Sabari.

I'm a developer with over 6 years of experience in full-stack development, Android, and UI/UX design.

Results speak louder than words.

Here are some of my works.

event landing page - integrated Razorpay PG, increased registration count **300%** overnight.

At Teckas Technologies, we turn your ideas into reality with smart solutions in Blockchain, AI, Web, and Mobile apps. Let's make something awesome together!

Got an Idea? Let's Chat!

Trusted by 15 amazing clients and counting. Read Testimonials

company landing page - converted to React from a Figma prototype.

c0dify - a fullstack competitive coding platform similar to Leetcode. Designed and developed the entire architecture to create a highly scalable system with limited resources (handles 500+ concurrent contestants with a 512MB RAM machine).

Skills

I have acquired via constant practice, not just certifications.

Languages

Java, Python, Typescript, Javascript, PHP, Dart, HTML, CSS, SQL, Go,
C, C++

Database & Cloud

MySQL, MongoDB, Firebase, Supabase, PostgreSQL, SQLite, AWS, GCP

Technologies

NextJS, React, Angular, Vue, Springboot, Express.js, Laravel, Flask,
Django

Others

Docker, CI/CD, Jira, Grafana, Sentry, Swagger, Postman, Git,
GitHub, Kafka, SQS, BullMQ

Professional Highlights

- ⚡ Engineered competitive coding platform **handling 500+ concurrent submissions on minimal resources**, achieving high scalability and availability.
- ⚡ Designed and deployed a **microservices-based assessment portal** with **multi-language coding support**, plagiarism detection, and **95% test coverage**.
- ⚡ Led an **11-member team at Google Developer Groups**, organizing large-scale events including **Google Devfest Madurai 2023**.
- ⚡ Served as **Vice Chairperson** of GeeksForGeeks Student Chapter, **organizing 20+ technical events** with industry experts across India.
- ⚡ Achieved recognition in problem-solving and open source: **Top 20% on LeetCode**, **500+ StackOverflow reputation**, and contributions to projects like **Fireship.io** and **Zoomment**.
